

Birthdays . Weddings . Anniversaries

Supplying Your Catering Needs

If your planning that special celebration for a birthday, wedding or anniversary, then let us work with you to make that special day a reality. We will personally provide an obligation free quote and work with you to design a customised menu at no additional cost to suit your needs and budget. We use only the best quality food to produce that uniquely fresh taste difference.

On the day, our staff will remove the hard work from staging these events, as they prepare and serve your menu while closely co-ordinating any other related needs.
