

Romantic Valentines Day Dinners

Supplying Your Catering Needs

Are you looking for that unique Valentines Day dinner? Rather than taking that special someone out to a crowded restaurant for that romantic dinner, have you considered a little touch of luxury and having the restaurant come to you? We can provide you a specially designed 3 course romantic dinner in the comfort and privacy of your own home. You have nothing to do but sit back and relax and allow our professional staff to cook and serve you, then clean up and exit discreetly once the food service is complete. This is a memorable experience that you will want to repeat. Prices are comparable with restaurant offerings so don't delay and get in early to secure a limited opportunity.
